1. Conditions of participation

EPIC Trail Run Azores is a Trail Running event that takes place in the Island of São Miguel - Azores, it has 4 non-stop stage races: EPIC110, EPIC60, EPIC30 and EPIC15.

1.1. Minimum age required for participating in the events

To participate in the EPIC15 event, athletes must be 16 years old by December 31, 2023.

Athletes under the age of 18 must present in the race secretariat (athlete's bag lift), the Minor Responsibility Form completed by their guardian, which will be available on the Race Book and on the official website of the event.

To participate in the event, EPIC110, EPIC60 and EPIC30 events, athletes must be 18 years old by December 31, 2023.

1.2. Regularized registration

The registration in EPIC Trail Run Azores implies understanding and accepting unreservedly the rules and regulations of the event as well as providing with important information regarding health conditions in the process of registration.

It is not necessary the "Term of Responsibility" at check in. The athlete, by accepting the conditions of the event, guarantees that he has the physical and psychological conditions to overcome the race he signed up for.

Registrations are only possible through the official website of the event (www.epictrailrunazores.com). Payment is made online; no receipt is necessary.

The list of the people registered may be consulted at our official website (www.epictrailrunazores.com), in the 2 weeks prior to the event.

1.3. Physical conditions

Participants must be aware of the distance and of the particularities of the race in which they will participate. This is a mountain race, with numerous passages in high altitude

and difficult weather conditions (night, wind, cold, rain or fog), that needs a very good training, adapted equipment and personal autonomy capacity.

Each participant will have to draw from their strengths and push their mental and physical limits in order to cross the finishing line.

Runners will have to put up with fatigue, to overcome not only their fears and anxieties, but also usual physical problems. Some participants, having pushed their limits to the extreme, may have to deal with sickness, muscle and joint pains, injuries and other medical matters.

Runners should submit to a complete medical tests to certify their ability to participate in the race. Any occurring situation that compromises runner's health can result in the exclusion from the competition.

Be aware that it is not the organization's responsibility to help an athlete to overcome these problems and that this depends mainly on his ability to adapt to problems arising out of this type of event.

1.4. External aid/personal assistance

Participants are allowed to receive personal assistance only on check/supply points previously specified by the organization (consult race book).

If the weather conditions or the physical condition of the athlete are justified, external aid will be allowed.

1.5. Race Bibs

The race bib is personal. It must be worn on the chest or waist area, and must be permanently and fully visible throughout the entire race. It must, therefore, always be positioned over any clothing and cannot, for any reason, be fixed onto the back, a leg, or the bag. The name and logo of the sponsors must neither be modified, nor hidden.

Breaking these rules will lead to penalization according to the article 2.11

1.6. Sporting rules of conduct

EPIC Trail Run Azores by decathlon is an event that promotes and privileges, above all, fair play.

Every athlete is obliged to help anybody in danger or seriously injured and alerts the first control post or contact immediately the organization.

The organization reserves itself the right to exclude from the race, even before its start, any participant who, through his/her behaviour, compromises the management and/or the proper functioning of the event. The athlete will not be reimbursed.

Unsportsmanlike conduct will be penalized as stipulated in article 2.11. Sanctions will be based on the situation's seriousness.

Any other issue not mentioned in this document and brought up during the process of this event, will be carefully discussed and solved by the organization, that will provide the involved parts with information through the official site (www.epictrailrunazores.com), email (epictrailrunazores@gmail.com) or facebook page.

2. The Event

2.1. Races/Organization

EPIC Trail Run Azores (8th edition) is certified by Internacional Trail Run Association (ITRA), UTMB world series, Associação Trail Running Portugal (ATRP) and Circuito de Trail São Miguel (AASM). Is an event with 4 individual races. In 2023 it will take place between 01st to 02nd december in the island of São Miguel - Azores. The race crosses the Lagoa, Vila Franca do Campo, Nordeste e Povoação counties.

The name "EPIC Trail Run Azores" is a registered trademark.

2.1.1 Organization

EPIC Trail Run Azores by decathlon is a "Clube Açoriano de Triatlo, Trail e Turismo" (CATT) organization, and it will be technically supported by "Morcegos Trail Clube" in absolute harmony with nature.

2.1.2 Event organizing Committee

The Race director is Mr. Luís Onça.

2.1.3 The races and their courses

EPIC110

The departure will be given at 23h00, on 01st December 2023 at the Nordeste village city hall and crosses the Nordeste, Povoação (Faial da Terra, Ribeira Quente, Furnas), Lagoa (Ribeira Chã, Água de Pau) counties with the finish line is at Vila Franca do Campo in Açor Arena Sport Center.

EPIC60

The departure will be given 07h15, on 02nd December 2023 at boiling water springs in Furnas village, and crosses Povoação, Lagoa (Ribeira Chã, Água de Pau) counties with the finish line is at Vila Franca do Campo in Açor Arena Sport Center.

EPIC30/EPIC15

The departure will be given at 09h00/09h15 on 02nd December 2023 at the small village of Água de Pau (Lagoa county) with the finish line is at Vila Franca do Campo in Açor Arena Sport Center.

EPIC15 race is perfect for fans of short distances and it is also suitable for those who want to start trail running practice. This way, the courses are medium difficulty, mostly made of easy tracks. Participants may run or just walk.

Due to external reasons, routes and timetables may have to be changed at any of the courses.

2.2. Program/timetable

The program and timetable can be consulted on race book or at the official site of this event. <http://www.epictrailrunazores.com/>

Due to external reasons, schedules and locations may have to be changed.

2.3. Distance / altimetry / categorization ITRA / categorization UTMB

Race	Distance	Slope (D+)	Time limit	ITRA	UTMB
EPIC110	106.6	6243	27h	5 points	100k
EPIC60	61.8	2982	14h	3 points	50k
EPIC30	33.3	1835	09h	2 points	50k
EPIC15	15.6	725	06h	-----	-----

There may be changes to these distances, but we will try to keep them to a minimum.

2.4. Map/Profile/Route description

The routes of EPIC are mostly composed of paths, trails, footpaths, paved forest roads and small stretches of asphalt. Courses include public roads either on-road or off-road, go across farms and villages and use service roads that pass through private properties. Therefore, routes will not be closed to the race and participants must take into account the fact that there may be cars, people, electrified and non electrified wires, and animals moving in both directions on the trails.

Courses sometimes follow some roads and sometimes cross them perpendicularly. Participants must take precautions crossing those fields.

There will be locations on the paths that will have gates, fences and cattle limiting wires that participants will have to open and close or simply pass underneath or over them. Whenever a participant finds such an obstacle, it must be left the way it was found.

The organization will provide a GPX tracks of the courses. However, signalling placed on the ground will always prevail.

The organization will mark the route with signalling ribbons with a reflective band (for better night vision), and also use signs and marks on the pavement. It is imperative to follow the posted paths without taking shortcuts. If a participant doesn't see any signs

for approximately 200 metres, it is advisable to go back and find the respective sign. Common sense should prevail.

2.5. Maximum authorised time

The EPIC is an event that integrates four single-stage races, with a time limit for reaching the finish line and leaving the PACs.

These time barriers are calculated to enable participants to reach the finish line in the maximum time imposed, while making possible stops (rest, meal...) **To be authorised to continue the event, runners must set off again from the control post before the fixed time limit** (whatever their arrival hour at the control post). Any competitor excluded from the race and wishing to continue his race can only do so at his own responsibility and in complete autonomy.

Any participant excluded from the race will not be allowed to continue. If this happens, competitors will be at their own responsibility will not have any kind of support by the organization committee.

Due to external reasons (weather and/or security), the organization reserves the right to stop the event underway or to modify time barriers.

2.6. Timing system operation

An electronic system will be used.

The start area will be delimited with metal barriers. Competitors must enter this area using the indicated entrance for checking. They must not enter the start zone without their chips checked.

At the starting area, there will be a clock that will begin the count at the established time, with or without the presence of the participants. Participants who are not present until 10 minutes after the departure time or that are beyond this period, won't be able to be in the race and, therefore, will not be classified.

2.7. Checkpoints (PC)

Check points are obligatory passage points and are located in areas outlined by the organization. In each of these controls there will be a member of the organization committee.

Not passing in one or more check points will lead to the disqualification of the participant.

Unexpected control posts are set up in places other than control and refreshment posts. Their position is not communicated by the organisation.

Retirements must be done only and exclusively on check points. In case of accident or injury that doesn't allow the competitor to reach a check point, a rescue operation must be activated by calling the organization using the number printed on the race bib.

The organization reserves the right to change, at any time, the route and position of the check/supply points, without notice. In case of adverse weather conditions at the time of the departure, the start may be delayed by up to two hours - after this period, the race is cancelled. There will be no right to reimbursement. During the race, in case of bad weather, and for security reasons, the organization reserves the right to change time barriers, or even suspend, reduce, neutralize or stop the race. There will be no right to reimbursement.

2.7. Supply and Control Station (PAC)

The supply and control stations (PAC) will provide food and drink to participants and also make the electronic control of runners. Each participant must make sure, when leaving each filling station, that they have the amount of food and drink needed to reach the next supply.

There will be liquid-only and solid and liquid supplies, which will vary according to your location.

First aid will be positioned in all PACs. It is critical that athletes assist any entrant in distress and/or alert the nearest checkpoint and/or contact the organization.

Athletes must comply with the decisions of specialized medical personnel, disobedience to medical orders could be putting their lives at risk, so the organization reserves the right to invite the athlete to abandon the event.

Withdrawals must be made at the PACs. In case of accident or injury that does not allow the competitor to reach a PAC, a rescue operation must be triggered by calling the organization through the number printed on the race bib.

2.8. Obligatory material/material checks

In order to participate in these events, a set of obligatory equipment is required. At any time during the race, the director of the race or individuals responsible for the control posts have the right to check competitors' material. The participant will have to accept these inspections peacefully, without question, under penalty of being excluded from the race, according to the list of penalties in article 2.11.

2.11. Responsibilities to the athlete/participant

Registered participants in EPIC Trail Run Azores accept to participate voluntarily and under their own responsibility in the competition. Therefore they agree not to claim or require the organization, employees, officials, sponsors and other participants of any responsibility to them and their heirs, in everything that exceeds the coverage of their responsibilities.

2.12. Sports insurance

The organizer takes out civil liability and personal accident insurance for the duration of the event. This insurance guarantees coverage of your liabilities, those of your employees and participants, under certain conditions.

Insurance conditions will be revealed in time in the race book.

In the event of an accident, the athlete must first go to the nearest hospital or health center, if applicable. Subsequently inform the organization, which may provide the claim form with the respective policy number.

Any and all expense documents related to a claim that has already been reported will be paid in advance by the respective claimant and their originals sent to the insurer for subsequent reimbursement, when applicable.

The insured person has 24 hours after finishing his race to inform the organization of the accident. The organization will not assume expenses for claims, which it was not aware of in a timely manner to activate the insurance.

There will be deductible.

3. Registrations

3.1. Registration process (webpage, payment)

Only Registrations on the web site www.epictrailrunazores.com are valid.

Each participant must correctly fill the registration form and pay the corresponding value within the time limit set, being the participant responsible for the accuracy of his data.

When registering, the participant has the option to activate the “Return Fee” (10€ for all races). This option allows the full refund of the registration fee if, for some reason, you cannot be at the race. No additional questions will be asked. The deadline to activate this option is october 31, 2023.

The organization is not responsible in the case of eventual liability refusals by the insurance company due to incorrect information introduced on the registration form by the participant.

Means of payment available are: MB (only for Portugal), Bank Transfer (foreigner athletes), and Credit Card (foreigner athletes).

It is not necessary to send the proof of payment.

After confirmation of payment, the name of the athlete will appear on the entry list.

Entries from athletes who are punished by their respective federations due to sanctions imposed in the wake of anti-doping controls will not be accepted.

The payment of the registration fee involves a reservation.

Any further clarification should be requested by email to geral@stopandgo.com.pt

3.2. Fees and periods of registration
